

WELCOME BACK!

The eldership has decided to resume Sunday morning worship services at the building starting this coming **Sunday, June 7th at 10:30am**. We will be meeting for worship services only, Sunday morning and Wednesday evening bible classes will continue on our podcast feed. Our live streaming of services will also continue, as well as the FM transmitter for those parked in the church building parking lot.

If you are in one of these groups, we ask that you please stay home and watch our live stream of services:

- If you are at high risk of contracting diseases or developing severe symptoms.
- If you are sick in any way.
- If you have been in close contact with someone who tested positive for COVID-19.
- If you are not comfortable meeting in a group.

Some guidelines for assembling at the building:

- Ushers will open doors for you when you enter the building and distribute individual communion packets at that time.
- Maintain social distancing **at all times** while on the property. When you enter, go immediately to your seat **with 6 feet between families**. When it is time to leave, we will give instructions for everyone to leave in an orderly fashion.
- Refrain from hugging or shaking hands.
- Hand sanitizer will be available at multiple locations.
- You are encouraged to wear a face mask while on the property. A number of disposable masks will be available if you do not have your own.
- Song books will not be available, all songs will be on the projector.
- There will be a box to drop off your contribution near the door.
- The building will be cleaned and sanitized following each service.

We look forward to meeting again at the building! Please be courteous, respectful, and accommodating to your brothers and sisters while we navigate these uncertain times. If you have any feedback or questions please feel free to get in contact with the eldership.
